OBJECTIVE

Aspiring software engineer and recent University of Michigan grad seeking full-time or internship opportunities.

EDUCATION

Bachelor of Science - Computer Science, University Of Michigan 2015 - 2020

Relevant Coursework: Data Structures & Algorithms (281), Web Development (485), User Interface Design (493), Computer Security (388), and Mobile App Development (441).

Bachelor of Arts - Film & Television Media, University Of Michigan 2015 - 2020

SKILLS

Proficient Python, C, C++, JavaScript, HTML, CSS, Git, Vue.js, Django, React, Flask, SQL

Basic Ocaml, Bash, Functional Programming

PROJECTS

Itunes Search Interface.

- Constructed a website which expedites the process of searching through the iTunes catalogue while also providing users access to lyrics and annotations through the Genius API using Vue.js, Bootstrap, HTML, jQuery, and CSS.

Supreme Shopping Bot.

- A bot that automates the checkout process from supreme.com in under 7 seconds allowing you to secure and purchase items which otherwise are nearly instantly sold out. This is achieved through a combination of web-scraping with BeautifulSoup 4 and browser automation in Selenium.

Instagram485.

- School project that utilized HTML, JavaScript programming, React, AJAX, SQLite, and REST APIs in order to deploy a browser based Instagram clone hosted on AWS cloud services. Users can create accounts, follow other users, upload/view posts, and write comments.

EXPERIENCE

Production Assistant June 2019 - Jan 2020

Animal Planet - High Noon *Chelsea, MI*

- Responsible for equipment maintenance, logistical planning and creative planning, helping to achieve the production of Saved By the Barn which ran for 12 episodes on Animal Planet (April – June 2020).
- Supported the team throughout production anticipated directors needs while travelling across the Midwest to rescue and rehabilitate neglected farm animals in need.

Training Assistant July 2019 - Nov 2019

University Of Michigan Women's Soccer *Ann Arbor, MI*

- Assistant to the head coach in bi-weekly training sessions for 25+ players; Part of a nationally top 15th ranked program and Big 10 finalist team.

Marketing & Retail Associate Dec 2015 - Sep 2019

Motor City Soccer *Ann Arbor, MI*

- Oversaw digital advertising and in store sales while maintaining a strong focus on customer satisfaction and collaborative teamworking skills resulting over hundreds of thousands of dollars of equipment sales each year.

EXTRA-CURRICULAR ACTIVITIES

- Co-Edited and Directed documentary features “When We’re Together” and “301: A Documentary”.
- Michigan Mens’s Club Soccer, MSwing Dance, Skyline Symphony Orchestra, Linder Cooperative House.
